Re: Application #99-0525.01
Route 542 Bridge
Wading River
Washington Township
Bass River Township

Dear Mr. Hawkinson:

It has been determined that the proposed rehabilitation of the Route 542 bridge over the Wading River is consistent with the terms of the Memorandum of Agreement between the Pinelands Commission and the New Jersey Department of Transportation and the requirements of the Pinelands Comprehensive Management Plan. Pursuant to the Agreement, the approval of the Commission is not required for the project.

The development must adhere to the plans, consisting of 15 sheets, prepared by The New Jersey Department of Transportation and dated November 10, 1999.

Please contact the US Army Corps of Engineers to determine if any additional permits are needed for the project.

If you have any questions, please contact the project review staff.

Sincerely,

Kathleen Swigon for
William F. Harrison, Esq.
Acting Executive Director
